Dear Sir:

Applicant's undersigned representative received a Notification of Abandonment for the subject application on March 13, 2007. The Notification states that the application became abandoned for failure to provide a copy of the International Application by 30 months from the priority date, which is November 7, 2003. Applicant submits that this holding of abandonment is improper because a copy of the International Application was transmitted to the USPTO by both the International Bureau and the Applicant. Accordingly, Applicant is filing this petition to withdraw the holding of abandonment.

I hereby certify that this correspondence is being facsimile transmitted to the U.S. Patent and Trademark Office at (571) 273-8300 on the date indicated below.

**PETITION TO THE DIRECTOR**

Applicant's undersigned representative received a Notification of Abandonment for the subject application on March 13, 2007. The Notification states that the application became abandoned for failure to provide a copy of the International Application by 30 months from the priority date, which is November 7, 2003. A copy of the Notification of Abandonment is attached hereto as Exhibit A.

Applicant submits that this holding of abandonment is improper because a copy of the International Application was transmitted to the USPTO by both the International Bureau and the Applicant.

37 CFR 1.495(b)(1) only requires an applicant to transmit a copy of the International Application to the U.S. Patent Office if the International Bureau has not already done so. MPEP §1893.01(a)(1) provides that a copy of form PCT/IB/308 is **conclusive evidence** that the International Bureau has transmitted the International Application to Designated Offices. A copy of form PCT/IB/308 for the International Application is attached hereto as Exhibit B. This is conclusive evidence that the International Application was transmitted by the International Bureau to the USPTO.

Applicant also transmitted a copy of the published International Application to the USPTO with its Transmittal Letter under 35 U.S.C. 371, which was filed on May 5, 2006. A copy of the returned postcard showing receipt of the Transmittal Letter and the published International Application is attached hereto as Exhibit C.

Based on the foregoing Applicant submits that the holding of abandonment is improper and hereby requests the Director to withdraw the holding of abandonment. Pursuant to MPEP §711.03(c), no fee is required for this petition.

If there are any fees resulting from this communication, please charge same to our Deposit Account No. 050877.

Respectfully submitted,

ABB Technology AG
